VENKATARAMAN SUBRAMANYAN

Executive Coach, Sales & Leadership
and Excellence Expert

*“Unleash your Heroes...
Confront your full potential”*

Venkat is an experienced business leader with a proven track record of people and business results. His strong communication, presentation and coaching skills inspire individuals and teams to uplift their aspirations to realize their true potential.

Venkat is an experienced coach, certified through the Results Coaching methodology. He currently uses his coaching and training skills to coach CxOs, directors and managers at many Fortune 500 Companies, resulting in an increase of awareness and trust within teams, and an improvement in their individual and collective performance. He is also a certified Six Sigma Green Belt and has applied this methodology to improve team effectiveness.

Until July 2010, Venkat was a Senior Director for Microsoft and was the COO for their Enterprise and Partner Business. His 14-year career with Microsoft included many roles,

including frontline sales and sales management, industry management, sales strategy & operations, and business planning. His span of operations included India and all Asia Pacific countries, which has contributed to his rich understanding and appreciation of culture and diversity. Prior to Microsoft, Venkat was with Wipro InfoTech in a frontline sales capacity. Venkat is a first-class graduate in Computer Engineering from the University of Pune.

Spurred by a mission to positively influence millions of lives around the world, Venkat is now blending his Microsoft experience, and that of his partners, to his passion of making others great. He truly believes in the potential of individuals to attain their aspirations, and in the potential of teams to synergize their efforts, by building trust. Through his company, Tripura Multinational, headquartered in Singapore, with a subsidiary in India, Venkat capitalizes on the strength and trust of several

partnerships to engage with multiple clients to coach them to their true potential. Along with his spouse and business partner, Sripriyaa Venkataraman, Venkat has also established the Global Coaching Lab to build a community of coaches to help them build and scale their business and impact thereof.

He balances his engagements between Global leadership development, leveraging diversity and Executive coaching.

Leadership development focuses on broadening and deepening leadership perspectives through a rich, interconnected framework, and encouraging leaders to apply their insights through coaching, to bring out the best from the leaders around them.

Leveraging Diversity focuses specifically on building women leaders to move into Leadership roles, and the organizational leverage of diversity to powerfully address business issues

Individual Coaching focuses on setting powerful goals in their personal, team and organizational context and helping the individual thoughtfully accelerate towards aspirational goals across each of these areas.

Group Coaching is driven by addressing a business situation within a Group, helping them establish trust, clarity and critical thinking through powerful questions, and orchestrating their progress towards their stated goals.

His clients respect him for his utmost honesty and integrity, his intent and focus on making others great, his ability to ask hard questions in a soft way, and on helping them think clearly, to execute with rigor and compassion.
